

Case load of the Court since start of operation in June 2023

update 31 May 2025

I. Court of First Instance

Since the Court's start of operations on 1 June 2023, the Court of First Instance has received a **total number of 883 cases**.

a. Infringement actions and counterclaims

- 320 **infringement** actions are filed as follows:
 - 111 infringement actions have been filed in **Munich** local division, 65 in **Düsseldorf**, 45 in **Mannheim** and 23 in **Hamburg**. 21 infringement actions have been received in the **Hague**, 20 in **Paris local division** and 15 in **Milan local division**. The **Nordic Baltic regional division** has received 7 infringement actions, **Copenhagen** and **Brussels** have received 3 infringement actions, **Paris central division** and **Vienna local division** 2 each, whereas **Helsinki**, **Lisbon** and **Milan central division** have received 1 infringement action each.
- 304 **counterclaims** for revocation have been filed with the Court's local and regional divisions. This figure however gives an inflated impression unless it is noted that that each defendant in an infringement case needed, up to a few months ago, to file an individual claim for revocation. The 304 counterclaims for revocation come from **174 individual infringement actions**.

b. Revocation actions

There is a total of **65 stand-alone revocation** actions filed to date with the Court. **Paris central division** has received **47 revocation** actions, **10 revocation** actions have been filed with **Munich central division** and **8** with **Milan central division**.

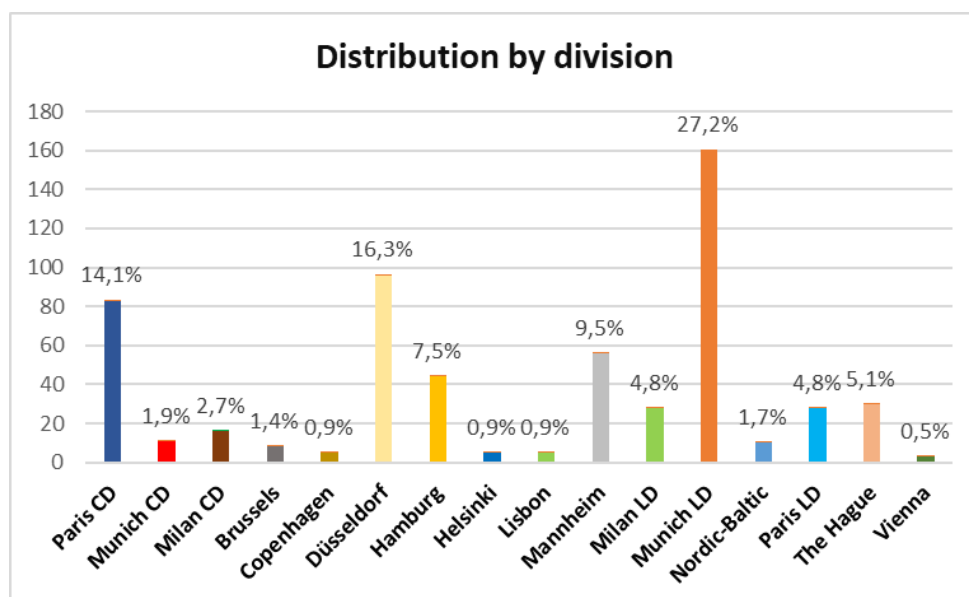

c. Provisional measures

The Court of First Instance has received a total of **88 applications** for provisional measures, preserving evidence, orders for inspection and application for order to freeze assets.

A further **detailed breakdown of the total caseload** of the Court of First Instance is shown in the table below.
